**Rakkar, 10 July 2025:** A one-day workshop on "*Learning Beyond the Classroom: Life and Professional Skills*" was organized by the **Career Counselling and Placement Cell** of Government College Rakkar. The event was held under the guidance of Principal Dr. Indira Daroch with the aim of making students aware of essential short-term life and professional skills.

Resource persons Prof. Vikas Chandra, Dr. Sushma, and Dr. Jaspal Singh Rana guided the students on practical skills, professional and industry relevant knowledge that enhance workplace competencies employability and job readiness.

Prof. Meena, Prof. Ravindra, Prof. Shailja, Prof. Shweta Kohli, and members of the non-teaching staff were also present at the workshop. In addition, 75 students participated in the event.

Principal Dr. Indira Daroch appreciated the efforts of the experts and emphasized the need for such workshops to prepare students for real-world challenges.
